* **Proof of AIRE registration for minors:** AIRE registration is for adults only. Minor children who are Italian nationals do not have a consular file in their name but are listed in the consular file of their respective Italian parent. Therefore, for a minor child you must provide one of the following:

- a. Print-out of the Italian parent's "scheda consolare" [consular file] taken from the "FAST IT" [<https://serviziconsolari.esteri.it/ScoFE/index.sco>] showing that the minor child is listed in the family and resides at the same address as the Italian parent;
- b. AIRE certificate issued by the Comune in Italy (PDF copy is fine), if you have it, listing the child;
- c. E-mail from Consulate approving your citizenship *iure sanguinis* application confirming that you are also registered in the AIRE (Note: this works only for those who have recently obtained the recognition of Italian citizenship *iure sanguinis*, and are now applying for their 1st passport);

Please **do not** make an appointment before our office until you have actual proof of your current AIRE registration. For any issues/clarification/etc. that you might have, please contact the AIRE office at anagrafe.losangeles@esteri.it. This Honorary Consulate does not act as intermediary on behalf of individuals.
